# Skater of the Month

## Song Ma

Age 10

I started figure skating because I love being on the ice and I enjoy learning new skills. Skating makes me feel calm and happy, and I like practicing little by little.

My favorite moves are spins and gliding. I like how smooth it feels when I skate across the ice, and I enjoy trying different turns.

I want to become more confident on the ice, learn more skills, and keep improving step by step. I also hope to enjoy skating for a long time.

# Classic Holiday Hits Holiday Show!

Thank you all for your participation in the Holiday Show! From the quality of the skating, to the outstanding volunteers, your participation was very appreciated.

We received several comments about the quality of the show and how year after year it continues to improve. So, bravo to everyone and we cannot wait to see what you bring to the table next year.
