Skater of the Month

Westin Hannotte

Age: 12

I started learning to skate when I was 3. I did the learn to skate program and little Kings hockey. I have been on the Ice Hawks travel hockey team for over 4 years.

I got started figure skating when my mom and sister both wanted me to try pairs skating (with my sister Wynona) so my mom got me figure skates and let me learn how to skate in figure skates.

My favorite move is the spread eagle. I would do it all day and never get bored, plus it looks cool.

My figure skating goal is to complete the pre-bronze skating skills test.

Congratulations to all of our March Testers!
